The Arcadia Wellbeing Experience Treatments

Ursa Private Spa Experiences

According to Greek mythology, God Arcas was a hunter who became king of Arcadia. He was remembered for having taught people the arts of weaving, baking bread and for spreading agriculture in the Peloponnese. According to the myth, both Arcas and his mother turned into the star symbols of Ursa Major and Ursa Minor.

You can now experience these two secluded and pampering private spas for yourself or as a "time for us" experience.

Ursa Major

Enjoy the time together in a beautiful private secluded environment in the Ursa Major. A whole balneo experience is waiting for you, with the steam bath of 45° degrees, the cold shower hose, the rain shower, and the water massage bath.
