**One more Quality Award for
BEST WESTERN PLUS Kalyves Beach Hotel
in Chania.**

BEST WESTERN Kalyves Beach Hotel wins one more International quality award. The Hotel's beach Kalyves-Xydas is one of the 393 beaches in Greece which was awarded with a "Blue Flag".

This is the latest in a series of awards that BEST WESTERN PLUS Kalyves Beach has won the last few months for quality infrastructure and services and it is a valid and essential recognition of the effort and investment that has been made.

Last month the hotel received the environmental certification "GREEN KEY" proving its corporate responsibility in environmentally friendly development.

Alongside during the recent quality assessment conducted by the certified assessor of the Best Western, the hotel was rated a perfect 994 points in a scale of 1000 for the infrastructure and the cleanliness of the rooms and public areas. This result classifies the hotel into one of the top Best Western Hotels worldwide in this category.

The BEST WESTERN PLUS Kalyves Beach Hotel joined Best Western in 2011. This year after the extended renovation in all rooms the hotel became a BEST WESTERN PLUS Hotel.

The hotel is seasonal with 62 rooms and it is located just 17km from the center of Chania. It has a restaurant, bar, swimming pool, conference room, private beach, playground, gym and the majority of its rooms supports housing families.

Both public areas and the rooms offer free WiFi Internet access and all rooms have balcony, safe, air conditioning, Flat screen TV and refrigerator.

The office of Best Western Greece has under its responsibility a total of 45 hotels in an extended territory which includes except Greece, also Albania, Armenia, Bulgaria, Romania, Cyprus, Lebanon and Syria.. Since the beginning of the year 3 new Best Western Hotels have joined Best Western in this territory.

Best Western International is THE WORLD'S LARGEST HOTEL CHAIN®, providing marketing, reservations and operational support to over 4,000* independently owned and operated member hotels in 100* countries and territories worldwide.
