- BUILDING 2 – Ruby Villa & Sapphire Villa
- BUILDING 3 – Emerald Villa & Amethyst Villa

In the northern part of Corfu, six newly built villas sit within the lush grounds of the renowned five-star Almyros Beach Resort and Spa. The villas are thoughtfully arranged across three stylish buildings, each housing two independent villas with the option of interconnected doors. Each villa has its own private pool and a leafy green garden where guests can enjoy themselves under the sun of the day or the stars of the mesmerising black sky.

As a VIP guest, you can luxuriate in the amenities and services of the five-star resort while also finding inner peace and tranquillity in your private residence. Pay a visit to the hotel's spa and try one of the refreshing and rejuvenating treatments, using high-end natural products. Or have fun participating in the fascinating activities our dedicated animation team organises exclusively for our valued guests.

Swim in the crystal-clear waters of the Ionian Sea or build castles on the golden sandy beach, located just steps away from your villa. Experience a unique blend of cosmopolitan holidays in a luxury resort, and unwind in your own private residence.

Each villa offers 170 m² of elegantly designed living space across two levels, a 35 sqms private pool, thoughtfully crafted to provide both comfort and sophistication.
