Hammam is considered a great way to purify and detoxify the skin and body, increase microcirculation, stimulate the immune system and encourage physical and mental well-being. This SASKIA ritual starts with spicy oriental fragrances purely based on essential oils, that turns into milk as soon as it touches water at your feet. The scrubbing starts with a SASKIA creation - a slimming exfoliating mix based on a trio that brings coffee, sugar and Argan seeds together for optimal skin cleansing, rich in deeply hydrating elements. You will leave with your skin feeling supple with an unmatched smoothness, and a redefinition of cleansing.

*An extended sensorial journey includes a full body massage, complemented with the use of Rose Essential Oil and Musk massage oil blend.*
