

Wine List

Some people follow maps. I follow aromas, colors, textures and the sound a glass makes just before it meets a smile.

Here in Santorini, wine isn't just what we drink. It's how we greet, how we pause, how we remember.

Every label you'll find here was chosen with care not just for its taste, but for the feeling it leaves behind.

A breeze of volcanic salt. A kiss of sunlight. A story waiting to unfold in your glass.

Let's raise one together

To discovery, to beauty, and to the little moments that turn into memories.
